

BRIEF INTRODUCTION OF OILMAN

Oilman provides equipment and services in support of well construction activities worldwide. Our primary focus is in the supply of rig packages to the international drilling industry, although we support drilling contractors and operators alike through the supply of equipment, spares and consumables for rigs and wells. The majority of equipment we provide is Chinese made but Western designed, however in our rig packages we combine the best of both Chinese and Western made equipment.

Oilman has a long track record of supplying select Chinese equipment to the international oil and gas industry. Oilman Rig Company Ltd has been instrumental in raising the quality of oilfield equipment manufacturing in China over the last few years.

Oilman supplied fifteen 2000HP and numerous smaller rig packages to the international drilling market in the last few years, we utilise only the most capable and highest quality manufacturers of equipment such as BOMCO, ZPEB, RG, SJPETRO, RT, RS, DP-MASTER, SANYI, GAOFENG, SHUANGJIA in China and Caterpillar, and MD/TOTCO from the USA in our rig assembly programs. Working with independent product inspection service providers such as RSI and Moduspec, we strive to ensure the rig packages and major equipment components supplied by Oilman meet or exceed the required industry standards.

Mr. James Zhou, as the founder of Oilman Group Ltd, provides essential insight to Chinese oil and gas equipment and manufacturers, as well as many years of experience supplying the International oil and gas industry.

Oilman can provide solutions for the supply, start-up and operations support for all rig sizes, from mobile 500hp Workover rigs to deep 3000hp rigs for extreme drilling environments. Our rig package solutions include the full rig equipment set, down hole tubular and tools, tubular handling tools, operations and maintenance tools, fully outfitted workshops, outfitted warehouse with initial inventory of spares and consumables, rolling stock such as cranes and loaders, and camps. The final composition of our rig packages are of course specified and agreed in close co-operation with our Customers.

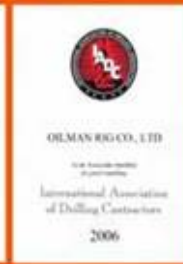

OILMAN GROUP LTD

is an Associate member
in good standing.

**International Association
of Drilling Contractors**

2011

FIRST-RATE RIG BUILDING.

OILMAN-PROFESSIONAL RIG SOLUTION

Main Achievement

Equipments & Materials Supply (Since Year 2002 to 2009)

SN	Scope of Supply	Customer
1	CMC, Handling Tools, Pumps for crude oil transmission, Wellhead and Christmas Tree, BOP, Accumulators, Fishing tools, Valves.	SPC (SYRIAN PETROLEUM COMPANY, SYRIA)

بريسيجن دريلينج (ايجيت) شركة ذات مسؤولية محدودة
Precision Drilling (Egypt) Limited Liability Company

Egypt Zone Operation
Maintenance Office

Third Party Service Quality Report

Purchasing and Delivering 2000HP Land Rig,

- Equipped with 3000 bbl. capacity Mud system, fitted with all Solid Equipment. And 3 each 1600 HP Mud pumps.
- Powered by total of 5.5 Mega KW AC Electric Generators through SCR, and VFD Drive Control Systems
- Monitored by Electronic Rig Sense MD TOTCO System.
- Living quarters to accommodate 150 persons at main and Rig sites in desert

China
Rig 801

Location: Egypt
Western Desert
South Ras Elhekma
West Kanaies
Operation: Rigging up and Activating Land Rig PDI # 801
Period: From 15, December, 2006
To 6, February, 2007
By: The Assistance of Oil Man Rig Co Crews.

Delivery and Service were Excellence in timing and Packaging, Team was Very cooperative, understanding, responsibly, quick response in transferring conditions and status of operation, very fast in ordering and receiving the replacement parts during the commissioning
Precision maintenance office thanks oil Man Teem for his managing during the activating of Rig 801
Raul Zhou. Operation Manager and teem leader
Xiang biyong from Feida for installing camp.
Zhang shirong from Feida for installing camp

Engineers for Commissioning during the Start up

Shixian Chen come from ZDPE for rigging up,
Guohui Huang come from ZDPE for rigging up,
Huiming Xie for installing hydraulic disc brake,
Zhicheng Miao for installing up well site lighting system.
Qunan Li come from HHCT for installing SCR and MCC house.

**Maintenance Manager
Mohamed Ammar**

2	Solid choke manifold , fishing tools , stabilizer ,Drill Collars, tubular handling tools ,	ONGC (OIL AND NATURAL GAS CORPORATION LIMITED, INDIA)
3	Check Valves For 3 Year's Contract	AFPC (AL FURAT PETROLEUM COMPANY ,SYRIA)
4	1000 HP Workover Rigs, Handling Tools	OIL INDIA
5	Mud Pump and its Consumables, mud Valves, butterfly valve Rig Components	Mud King (MUD KING PRODUCTS,LLC.)

Rig delivered (Last three (3) Years)

SN	Rig Type	Type	Customer	Customer Address	Date of EX-factory	Remark
1	2000HP VFD	VFD	Dallam, Saudi	P.O. BOX 79707, AL-Khobar 31952	2006.08	Work in Saudi

Oilman has been dedicating itself to serve Drilling Contractors since its establishment in 1999 with World-Class products and services at competitive price.

OIL LAND RIG

- Rig Size: 1000 HP ~ 3000 HP
 - Driven Mode: SCR-DC or VFD-AC;
 - Mast: Coventional Cantilever;
 - Substructure: Sling-shot type or Swing-up
- Desert quick moving systems are also available for above rig as option. The key components are from USA original manufacturers:
- Geneset (Caterpillar)
 - Drilling Instrumentation (M/D Totco)
 - Top Drive (Varco)

DRILLING EQUIPMENTS

The following drilling equipments are China made but western designs with spare parts interchangeable to those made by its western OEM shop.

- Tubular handling tools (Mud King, Varco/BJ)
- Mud valve (Demco)
- Butterfly valve (Demco)
- Centrifugal pump (Mission)
- Mud pump (C. Emsco, Garden Denver)
- Shale Shaker (Derrick, Brandt)
- Mud Cleaner (Derrick, Brandt)
- Rig Motor (GE)
- BOP (Cameron, Shaffer)
- BOP Closing unit (Koomey)

RIG ACCESSORIES

- Drilling Tubular (Drill Pipe)
- Rig Camp
- Fishing Tools
- Pipe table

RIG SERVICES

- Pipe table Rig Engineering Solution
- Rig Assy & Commissioning
- Rig maintenance & trouble-shooting Engineer services
- Rig Crews
- Rig consumables & drilling materials stock & supply
- Rig Refurbishment

PRODUCTS LIST

- All such products are machined in China by both API and ISO licensed manufacturers.
- Western designs + China workmanship arts
- The western brands includes Mudking, Mission, Demco, Derrick, BJ,Cameron, C. Emsco, National, GE, Varco, SPM, FMC, Koomey

API Certified products available

Standard	Description
API-2B	Structural Steel Pipe
API-4F	Drilling and Well Servicing Structures
API-594	Check Valves
API-599	Metal Plug Valves
API-5B	Threading, Gauging and Thread Inspection of Casing, Tubing and Line Pipe Threads
API-5CT	Casing and Tubing
API-5D	Drill Pipe
API-5L	Line Pipe
API-600	Bolted Bonnet Steel Gate Valves
API-609	Butterfly Valves
API-6A	Wellhead and Christmas Tree Equipment
API-6AV1	Verification Test of Wellhead SSV and USV for Offshore Structures
API-6D	Pipeline Valves (Steel Gate, Plug, Ball, and Check Valves)
API-7	Rotary Drill Stem Elements
API-7-1	Rotary Drill Stem Elements
API-7-2	Threading and Gauging of Rotary Shouldered Thread Connections
API-7F	Oil Field Chain and Sprockets
API-7K	Drilling and Well Servicing Equipment
API-7NRV	Drill String Non-return Valves
API-8A	Drilling and Production Hoisting Equipment
API-8C	Drilling and Production Hoisting Equipment (PSL 1 and PSL 2)
API-9A	Wire Rope
API-10A	Cements and Materials for Well Cementing
API-10D	Bow Spring Casing Centralizers
API-11AX	Subsurface Sucker Rod Pumps and Fittings

API-11B	Sucker Rods
API-11D1	Downhole Equipment - Packers and Bridge Plugs
API-11E	Pumping Units
API-11V1	Gas Lift Equipment
API-13A	Oil Well Drilling Fluid Materials
API-14A	Subsurface Safety Valve Equipment
API-16A	Drill Through Equipment
API-16C	Choke and Kill Systems
API-16D	Control Systems for Drilling Well Control Equipment
